

Bravadobe Dobermanns only breeds litters occasionally and generally when we are looking to keep a puppy for ourselves. We believe strongly in line breeding and as such carefully select a sire that will bring the attributes we are seeking to improve and compliment our lines. We don't believe in charging exorbitant amounts for either pet or show quality animals and this has allowed us to be very selective in choosing the best homes for our puppies. In the majority of instances, all puppies are sold well in advance and have found homes in all parts of Australia. We currently have two daughters and one grand daughter from our foundation bitch Chilli "Grand Champion Tornadobe Ruby Tuesday CD ROM" that we expect to mate over the next 12 to 18 months.

Our next litter will be between Chase "Ch Dassin Cut To The Chase" to Billie "Ch Bravadobe The Image ET" early in April 2004. Both the sire and dam are exceptional examples of the breed and have outstanding pedigrees. Chase being the "Top Show Dobermann" in WA for the last two years and out of the amazing "Am Ch Winmar's American Gigolo Dassin" (imported from the USA) and and Billie who has already produced her first champion and is a daughter of Chilli "Grand Champion Tornadobe Ruby Tuesday CD ROM". Further details on this up and coming mating can be found below and over the page.

Thereafter a mating has been scheduled in March 2004 between Cherri "Ch Bravadobe Cherry Bomb" and Chase "Am Ch Winmars American Gigolo Dassin - Imp USA" owned by Roy Mallinder and Christine Moore of Dassin Dobermanns. Chase and Cherri are expected to produce a litter of both brown/tan and black/tan puppies mid May 2004. From these two stunning representatives of the breed we are expecting excellent bone, outstanding temperaments and head turning style.

We also plan to mate Chase "Ch Dassin Cut To The Chase" and Brandi "Ch Bravadobe Bed of Roses" in the first half of this year. Chase is a Best in Show winner out of the amazing "Am Ch Winmar's American Gigolo Dassin" (imported from the USA) and Brandi who obtained her Australian Championship title at 12 months of age and is a daughter of Chilli "Grand Champion Tornadobe Ruby Tuesday CD ROM". Chase and Brandi are expected to produce a litter of both brown/tan and black/tan puppies.

Further details on any of the abovementioned matings can be found at our website at www.bravadobe.com.au

THE ECSTASY LITTER

Billie "Ch Bravadobe The Image ET" and Chase "Ch Dassin Cut To The Chase" were mated in January 2004. We are excited about this litter, given the quality of puppies from our last litter to Billie's sister Peppa. This is basically a repeat mating of the "Fire Litter" which produced a litter of puppies with excellent bone, sound temperament and complete with elegance contributed from the USA lines. The mating is expected to produce both black/tan and brown/tan puppies.

Both the sire and dam have outstanding pedigrees. Chase being a Best in Show winner out of the amazing "Am Ch Winmar's American Gigolo Dassin" (imported from the USA) and Billie who has already produced a champion in the beautiful Cherri "Champion Bravadobe Cherry Bomb" from her first litter. Billie is also a daughter of our foundation bitch, the exquisite Chilli "Gr Ch Tornadobe Ruby Tuesday CD ROM" who is still the only dobermann bitch in the history of Western Australia to obtain Grand Champion status.

Chase is from the stunning "American Champion Winmar's American Gigolo Dassin", imported from the USA and who is the sire of 15 champions. Chase is a consistent winner in the show ring and obtained his Championship title in fine style by going Best In Show at the Ladies Kennel Club in September 2002 at 16 months of age. Chase also took out the DCWA Inc 2002 awards for "Top Show Dobermann" and "Best Up and Coming Dobermann". He has also just been awarded the DCWA "Top Show Dobermann" in 2003, making it the second year in a row.
