

Bravadobe Dobermanns only breeds litters occasionally and generally when we are looking to keep a puppy for ourselves. We believe strongly in line breeding and as such carefully select a sire that will bring the attributes we are seeking to improve and compliment our lines. We don't believe in charging exorbitant amounts for either pet or show quality animals and this has allowed us to be very selective in choosing the best homes for our puppies. In the majority of instances, all puppies are sold well in advance and have found homes in all parts of Australia. We currently have three daughters and one grand daughter from our foundation bitch Chilli "Grand Champion Tornadobe Ruby Tuesday CD ROM" that we expect to mate over the next 12 to 18 months.

Our next litter will be between Peppa "Bravadobe The Heat Is On" and Chase "Ch Dassin Cut To The Chase" due to be whelped in October 2003. Both the sire and dam have outstanding pedigrees. Chase being a Best in Show winner out of the amazing "Am Ch Winmar's American Gigolo Dassin" (imported from the USA) and Peppa who is a daughter of our foundation bitch, the exquisite Chilli "Gr Ch Tornadobe Ruby Tuesday CD ROM" who is still the only dobermann bitch in the history of Western Australia to obtain Grand Champion status. Further details on this up and coming mating can be found below and over the page.

We also plan to mate Chase "Ch Dassin Cut To The Chase" and Brandi "Ch Bravadobe Bed of Roses" in the latter half of 2003. Both the sire and dam are exceptional examples of the breed and have outstanding pedigrees. Chase being a Best in Show winner out of the amazing "Am Ch Winmar's American Gigolo Dassin" (imported from the USA) and Brandi who obtained her Australian Championship title at 12 months of age.

Thereafter a mating has been scheduled for January 2004 between Cherri "Bravadobe Cherry Bomb" and Chase "Am Ch Winmars American Gigolo Dassin - Imp USA" owned by Roy Mallinder and Christine Moore of Dassin Dobermanns. Chase and Cherry are expected to produce a litter of both brown/tan and black/tan puppies early in April 2004. From these two stunning representatives of the breed we are expecting excellent bone, outstanding temperaments and head turning style.

Further details on any of the abovementioned matings can be found at our website at www.bravadobe.com.au

THE FIRE LITTER

Peppa "Bravadobe The Heat Is On" and Chase "Ch Dassin Cut To The Chase" are expected to produce both black/tan and brown/tan puppies which will be due to be whelped around October 2003. We are expecting quality puppies with excellent bone, sound temperament and elegance from the contribution of US lines.

Peppa is a daughter of "Gr Ch Tornadobe Ruby Tuesday CD ROM" Chilli and is line bred on an American great, Ch Julmars Jeronimo. She is a bitch with substance, an outstanding attitude and powerful movement.

Chase is from the stunning "American Champion Winmar's American Gigolo Dassin", imported from the USA. Chase is a consistent winner in the show ring and obtained his Championship title in fine style by going Best In Show at the Ladies Kennel Club in September 2002 at 16 months of age. "Chase" also took out the DCWA Inc 2002 awards for "Best Show Dobermann" and "Best Up and Coming Dobermann".
