

At Bravadobe we aim to produce life time friends for family, obedience and show. With every litter, we strive to improve the breed in areas of conformation, health and temperament and as such we line breed where appropriate, utilize proven sires within Australia that compliment and strengthen our lines, import semen from other countries to improve in areas of health and purchase dogs from overseas after years of research to gain access to other attributes we are seeking for the betterment of the breed... always with the thought of making forward progress with our breeding program.

We don't believe in charging exorbitant amounts for either pet or show quality animals and this has allowed us to be very selective in choosing the best homes for our puppies. In the majority of instances, all puppies are sold well in advance and have found homes in all parts of Australia and overseas. Whether you are interested in a well-bred family companion, a sound Dobermann to participate in dog sports or a serious show dog, we welcome your enquiry to see if we can assist you with your individual requirements.

One of our up and coming litters is an artificial insemination (AI) by Miles "American Champion Wyndem's Knights Quest" to Eve "Champion Bravadobe Would I Lie To You" who is the daughter of our Croatian import Viper "Vaydee Jesse James" and our all-time top producing dam, Bliss "Champion Bravadobe Divine Destiny".

Miles is sired by the great "American, Canadian & International Champion Aeolus Arabian Knight TDI, WAC" and his dam is the stunning "American & International Champion Gemini's Christmas Chaos". We imported semen from Miles because of his excellent health statistics being vWD Clear, Thyroid normal and OFA Good, along with the magnificent pedigree that his breeding represents. Miles brings to this union not only excellent health statistics but also an outstanding pedigree representing some of the all-time greats such as American Champion Cambria's Cactus Cash and American Champion Rahdy's Sail The Seven Seas. It has already become evident the positive impact and contribution Miles has brought to our breeding program, producing 4 champions from his first litter including the last Australian Dobermann National best in show winner, Keno "Supreme Champion Bravadobe Pure Anarchy (AI) ET WAC and both American and Australian Champions from his second and last litter for Bravadobe.

Eve is a substantial girl with powerful eye catching movement complimented with beautiful head piece. She has a strong working drive and considers herself as the boss yet still thinks she can be a lap dog! Eve has multiple challenges; best of breed and runner up best in group awards to her name but then went onto surpass her achievements in the show ring as a mother in the whelping box. Now retired from the show ring and living on acreage with her friends Keri and Honey the Daschund we are excited about her next litter.

We are extremely excited about this union as it is three quarter mating to the Pure Litter which produced Keno "Supreme Champion Bravadobe Pure Anarchy (AI) ET WAC". We are expecting a litter of both black/rust and brown/rust puppies with excellent even temperaments, strong bone and beautiful head pieces.
