

Bravadobe Dobermanns only breeds litters occasionally and generally when we are looking to keep a puppy for ourselves. We believe strongly in line breeding and as such carefully select a sire that will bring the attributes we are seeking to improve and compliment our lines.

We don't believe in charging exorbitant amounts for either pet or show quality animals and this has allowed us to be very selective in choosing the best homes for our puppies. In the majority of instances, all puppies are sold well in advance and have found homes in all parts of Australia.

Our next litter scheduled is between Cruise "Champion Bravadobe Fire At Will" to Raven "Dassin Dark Angel". Cruise is a son of our boy Chase "Grand Champion Dassin Cut To The Chase" who has produced multiple champions including Best in Show and Best in Specialty Show award winning progeny. Cruise who is a substantial and very sound brown/tan male is a multi best in group winner and was awarded Runner Up Best in Show at the 2006 PEDIGREE Autumn International under breed specialist Mr C V Sudarsan (India) and Challenge Dog and Runner Up Best in Show at the 2006 Dobermann Club of SA specialty. Raven who was awarded her first best in group at the tender age of 10 months from the puppy class is the daughter of the 2003 Dobermann National winner "Grand Champion Alldobe Strike It Lucky ET" and the gorgeous Vino, "Grand Champion Dassin Hill Ov Grace". This mating will be a line breeding "American Champion Winmars American Gigolo Dassin". Further information on this litter can be found on the next page.

Thereafter around mid 2006 we have planned a very special litter between our top producing bitch Cheri "Champion Bravadobe Cherry Bomb WAC" and Devo "Champion Dassin Yanky Rebel" owned by Mason Garstone. Cheri in past litters has produced several champions and some exceptional progeny to two grand champion sires and we are very excited about the potential of this mating due to the seven grand champions that are reflected in the combined pedigrees. With these two outstanding examples of the breed we are expecting progeny with substance combined with elegance and powerful eye catching movement.

We also plan to mate Diva "Champion Dassin Diva Las Vegas" to Choppa "Bravadobe Chasin Destiny" around July 2006. Diva is a multi best in show winning black dominant bitch sired by Grand Champion parents and is the mother of our up and coming star, Phoenix "Bravadobe Voodoo Magic". Choppa is the son of our outstanding producer Chase "Grand Champion Dassin Cut To The Chase" and Cheri "Champion Bravadobe Cherry Bomb WAC". We expect puppies with strong powerful movement, great substance and style.

Further details on any of the abovementioned matings can be found at our website at www.bravadobe.com.au

THE QUEEN LITTER

Raven is sired by "Grand Champion Alldobe Strike It Lucky E.T.", who won the 2003 Dobermann National and her dam is the beautiful "Grand Champion Dassin Hill Ov Grace", who is a daughter of "American Champion Winmar's American Gigolo Dassin (Imp USA)". Both of these dogs are exceptional examples of the breed and have passed their great attributes onto their progeny. Raven is an extremely affectionate and loving girl who had us wrapped around her paw the day she walked into our lives. Raven has already won several prestigious awards before her first birthday including Puppy in Show at the 2004 DCWA Specialty and Best in Group at an All Breeds show at the tender age of 10 months.

Cruise is a son of our boy Chase "Grand Champion Dassin Cut To The Chase" who has produced Best in Show and Best in Specialty Show award winning progeny. Cruise who is a substantial and very sound brown/tan male is a multi Best in Group winner and was awarded Runner Up Best in Show at the 2006 PEDIGREE Autumn International under breed specialist Mr C V Sudarsan (India).

The combination of these two lines will produce line bred puppies on the incredible "American Champion Winmar's American Gigolo Dassin (Imp USA)", a proven producer of champions, grand champions and best

in show and best in specialty show award winning progeny.
