

Bravadobe Dobermanns believe strongly in line breeding and as such carefully select a sire that will bring the attributes we are seeking to improve and compliment our lines.

We don't believe in charging exorbitant amounts for either pet or show quality animals and this has allowed us to be very selective in choosing the best homes for our puppies. In the majority of instances, all puppies are sold well in advance and have found homes in all parts of Australia and even overseas. As can be seen from our references which are on display at our website www.bravadobe.com.au, demand for our puppies is high, so we strongly advise contacting us at the earliest convenience to make reservations for your puppy to avoid disappointment.

Our next litter which is scheduled early in 2007 is between our New Zealand import Sunny "Parima Sunny Side Up At Bravadobe (AI)" to our Best in Show winning up and coming youngster "Phoenix" Champion Bravadobe Voodoo Magic. Sunny is the daughter of Best in Show and Best in Specialty Show winning American & Japanese Champion Cambria's Last'N Impression and the stunning multi Best in Show by Best in Specialty Show winning New Zealand Grand Champion Dassin Miss Molly (AI) (Imp AUS). Phoenix who obtained his championship title by being awarded challenge dog and runner up best in show at the 2007 Queensland specialty, is stunning large black/tan male and is line bred to the amazing Am Ch Winmars American Gigolo Dassin (Imported USA). Further information on this litter can be found on the next page.

Thereafter we have an exciting litter between our top show girl Brandi "Champion Bravadobe Bed of Roses" to one of our rising stars Memphis "Champion Bravadobe Force Of One". Brandi is a Best in Show, multi best in group winner, including the 2006 Western Classic and Winter Festival and obtained her Australian Championship title at 12 months of age. She was also the DCWA's Top Show Dog for 2006 as well as PEDIGREE's Top Utility Dog for WA. Memphis despite his young age was awarded his first best of breed from the minor class and since has gone onto become a multi challenge and class in show winner and obtained his championship title at 13 months. Memphis together with Brandi is expected to produce a very stylish litter of both black/tan and brown/tan puppies.

Further details on any of the abovementioned litters can be found at our website at www.bravadobe.com.au
