

Bravadobe Dobermanns believe strongly in line breeding and as such carefully select a sire that will bring the attributes we are seeking to improve and compliment our lines.

We don't believe in charging exorbitant amounts for either pet or show quality animals and this has allowed us to be very selective in choosing the best homes for our puppies. In the majority of instances, all puppies are sold well in advance and have found homes in all parts of Australia and even overseas. As can be seen from our references which are on display at our website www.bravadobe.com.au, demand for our puppies is high, so we strongly advise contacting us at the earliest convenience to make reservations for your puppy to avoid disappointment.

Our next litter which is scheduled for mid 2007 is between our top show girl Brandi "Grand Champion Bravadobe Bed of Roses" to one of our rising stars Klaus "Bravadobe Rebel Assault". Brandi is a Best in Specialty Show & Best in All Breeds Show winner, has multiple best in groups to her name, including the 2006 Western Classic and Winter Festival. She was also the DCWA's Top Show Dog for 2006 as well as PEDIGREE's Top Utility Dog for WA. Klaus despite his young age was awarded his first best of breed from the minor puppy class and since then has gone onto multi class in show wins and is well on his way towards his Australian Championship title. This union which represents no less than 8 grand champions in the first four generations is expected to produce a very stylish litter of puppies' line bred on our beautiful foundation bitch, Chilli, "Grand Champion Tornadobe Ruby Tuesday CD WAC ROM". Further information on this litter can be found on the next page.

There after towards the end of 2007, we will be looking to repeat the success of the Kiss Litter by mating Raven "Dassin Dark Angel" to South Australia's number one Dobermann Axel "Champion Bravadobe Perfect Crime". Raven, a best in group, multi class in show winner is the daughter of grand champion parents, including the 2003 Dobermann National winner "Grand Champion Alldobe Strike It Lucky ET". The father to be, Axel is a best in show, multi best in group winner who's qualities and attributes have been continually recognised by Australian and international breed specialists. The mating between Axel and Raven represents a pedigree of 7 grand champions and is expected to produce an all black/tan litter of eye catching and outgoing puppies.

Further details on any of the abovementioned litters can be found at our website at www.bravadobe.com.au
