

At Bravadobe we aim to produce life time friends for family, obedience and show. With every litter, we strive to improve the breed in areas of conformation, health and temperament and as such we line breed where appropriate, utilize proven sires within Australia that compliment and strengthen our lines, import semen from other countries to improve in areas of health and purchase dogs from overseas after years of research to gain access to other attributes we are seeking for the breed. Always with the thought of making forward progress with our breeding program.

We don't believe in charging exorbitant amounts for either pet or show quality animals and this has allowed us to be very selective in choosing the best homes for our puppies. In the majority of instances, all puppies are sold well in advance and have found homes in all parts of Australia and overseas. Whether you are interested in a well bred family companion, a sound Dobermann to participate in dog sports or a serious show dog, we welcome your enquiry to see if we can assist you with your individual requirements.

Kaos "Champion Bravadobe Viva Las Vegas ET" is a large substantial black male that has caught the eye of many Australian and international breed specialists. In 2011 Kaos was awarded runner up best in show at the Perth Royal Show under Mr J Eberhardt from Germany. Kaos, also known as "DK" to his friends gained his Australian Championship title under breed specialist Mr Ken Hammond (Kenardobe). Kaos is sired by "Klaus" Ch Bravadobe Rebel Assault who has already produced multiple Australian & American champions and speciality winners. His dam, Raven "Dassin Dark Angel" has a beautiful and gentle nature that passes on her calm and well balanced temperament to her progeny, many who have also gone on to become champions. Kaos is thoroughly spoilt, loved and owned by Rose Freeman, and the pair can be seen on any given day serving the patrons at the Pinjarra Service station,

Eve "Champion Bravadobe Would I Lie To You" is the daughter of our Croatian import Viper "Vaydee Jesse James" and our all-time top producing dam, Bliss "Champion Bravadobe Divine Destiny". Eve is a substantial girl with powerful eye catching movement complimented with beautiful head piece. She has a strong working drive and considers herself as the boss at Bravadobe yet still thinks she can be a lap dog! Eve already has multiple challenges, best of breed and runner up best in group awards to her name and we are eager to see what this stunning red head will produce.

We are extremely about the culmination of some of our best lines from both a pedigree and health perspective and expect an all-black/rust litter of strong boned, substantial puppies with impressive movement and strong outgoing confident personalities.
