

At Bravadobe we aim to produce life time friends for family, obedience and show. With every litter, we strive to improve the breed in areas of conformation, health and temperament and as such we line breed where appropriate, utilize proven sires within Australia that compliment and strengthen our lines, import semen from other countries to improve in areas of health and purchase dogs from overseas after years of research to gain access to other attributes we are seeking for the breed... always with the thought of making forward progress with our breeding program.

We don't believe in charging exorbitant amounts for either pet or show quality animals and this has allowed us to be very selective in choosing the best homes for our puppies. In the majority of instances, all puppies are sold well in advance and have found homes in all parts of Australia and overseas. Whether you are interested in a well bred family companion, a sound Dobermann to participate in dog sports or a serious show dog, we welcome your enquiry to see if we can assist you with your individual requirements.

Early in 2015 we intend to have a litter between Sonny "Champion Bravadobe Playing The Game At Parima (IMP NZ)", born in New Zealand, to the beautiful and sweet Ava "Champion Bravadobe Ride Into The Sun (AI)".

Sonny represents some of America's and New Zealand's top lines and both his parents are grand champions and at their own times have been the number one Dobermann in New Zealand. Despite Sonny only being just over 18 months of age he is already a runner up best in show, multi best in group and class in show winner. He has a very loving and well balanced temperament, outstanding fluid movement and a magnificent head piece.

Ava is a daughter of Kaos "Champion Bravadobe Pure Kaos (AI) ET" and is sired by Figo "UK, Irish Champion Supetas Enufs Enuf For Cooley" who we imported semen from. Ava is a very well balanced, confident, easy going red and rust girl with a great working temperament and excellent health statistics. A great example of the breed, in the conformation ring she has won multiple best of breeds, best in groups and class in shows under international and Australian breed specialists.

We are extremely excited about this union of two exceptional examples of the breed and would like to thank our good friend Sandy Irlam for making it possible. We are expecting a litter of both black/rust and brown/rust puppies with excellent even temperaments, rich markings, strong bone and beautiful head pieces.
